RULE

**Department of Natural Resources
Office of Conservation**

**Community Injection Wells and Systems
(LAC 43:XIX.317)**

In accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq., and through the power delegated under the laws of the state of Louisiana, the Department of Natural Resources, Office of Conservation has amended Statewide Order No. 29-B (LAC 43:XIX.317) to facilitate the use of produced water or brine in community enhanced recovery projects on a non-commercial basis.

The Department of Natural Resources, Office of Conservation has amended provisions governing the oversight of the Class II Injection Well program within the Underground Injection Control (UIC) Program located within the Office of Conservation. Oversight for the Class II Injection Well program is held by the Underground Injection Control Program (UIC Program), located within the Office of Conservation. Class II wells are a federally-designated well class that allow for the injection of fluid associated with exploration and production of hydrocarbons. The UIC Program has held Primary Enforcement Authority from the United States Environmental Protection Agency (US EPA) for Class II wells since 1982. This Rule is hereby adopted on the day of promulgation.

**§317. Requirements for Class II Community Saltwater
Injection Wells and Systems**

A. General Provisions

1. Community Saltwater Disposal Wells and Systems. The use of a legally permitted saltwater disposal well and system for community saltwater disposal purposes is prohibited unless the disposal well system operator submits a statement of noncommercial operation and the information requested in §317.B below to the Office of Conservation. Such statement must indicate that the operators using the community saltwater disposal system share only in the cost of operating and maintaining the well and related storage tanks and equipment (system).

2. Community Enhanced Oil Recovery Injection Wells and Systems. The use of a legally permitted enhanced oil recovery injection well for community saltwater injection purposes is prohibited unless the injection well operator submits a statement of noncommercial operation and the information requested in §317.B below to the Office of Conservation.
