RE: Summary Report, Regulation 31—Holding Company

Dear President Cortez, Speaker Schexnayder, Senator Talbot, and Representative Huval:

The Louisiana Department of Insurance (LDI) hereby submits the following summary report required by La. R.S. 49:968(D)(1)(b) and announces its intention to proceed with final rulemaking of Regulation 31, which was published as a Notice of Intent in the May 2022 edition of the *Louisiana Register*.

Interested persons were provided an opportunity to submit comments to the LDI on the proposed regulation. The LDI did not receive any substantive written or oral comments before the end of the comment period. The LDI received five requests to be removed from the LDI's email list. Those requests were forwarded to the appropriate department to be addressed.

II. ESTIMATED EFFECT ON REVENUE COLLECTIONS OF STATE OR LOCAL GOVERNMENTAL UNITS (Summary)

It is anticipated that the implementation of this proposed rule will not affect federal revenue collections other than the federal share of the promulgation costs for FY 21-22. It is anticipated that \$378 will be collected in FY 21-22 for the federal share of the expense for promulgation of this proposed rule and the final rule.

III. ESTIMATED COSTS AND/OR ECONOMIC BENEFITS TO DIRECTLY AFFECTED PERSONS, SMALL BUSINESSES OR NONGOVERNMENTAL GROUPS (Summary)

This proposed rule repeals the provisions of LAC 50:XV.Subpart 11 governing personal assistant services in its entirety since employment support was never implemented. It is anticipated that implementation of this proposed rule will not result in costs or benefits to providers or small businesses in FY 21-22, FY 22-23, and FY 23-24, since the services were never implemented.

IV. ESTIMATED EFFECT ON COMPETITION AND EMPLOYMENT (Summary)

This proposed rule has no known effect on competition and employment.

Financial statements are required for an ultimate controlling person who is an individual as well as for a corporation or other type of business organization. If a holding company system includes more than one ultimate controlling person, annual financial statements are required for each ultimate controlling person.

If at the time of the initial registration, the annual financial statements for the latest fiscal year are not available, annual statements for the previous fiscal year may be filed and similar financial information shall be filed for any subsequent period to the extent such information is available. Such financial statements may be prepared on either an individual basis, or unless the commissioner otherwise requires, on a consolidated basis if such consolidated statements are prepared in the usual course of business.

Other than with respect to the foregoing, such financial statement shall be filed in a standard form and format adopted by the National Association of Insurance Commissioners, unless an alternative form is accepted by the Commissioner. Documentation and financial statements filed with the Securities and Exchange Commission or audited GAAP financial statements shall be deemed to be an appropriate form and format.

Unless the commissioner otherwise permits, the annual financial statements shall be accompanied by the certificate of an independent certified public accountant to the effect that the statements present fairly the financial position of the ultimate controlling person and the results of its operations for the year then ended, in conformity with generally accepted accounting principles or with requirements of insurance or other accounting principles prescribed or permitted under law. If the ultimate controlling person is an insurer which is actively engaged in the business of insurance, the annual financial statements need not be certified, provided they are based on the Annual Statement of the insurer's domiciliary state and are in accordance with requirements of insurance or other accounting principles prescribed or permitted under the law and regulations of that state.

Unless the commissioner otherwise permits, any ultimate controlling person who is an individual may file personal financial statements that are reviewed rather than audited by an independent certified public accountant. The review shall be conducted in accordance with standards for review of personal financial statements published in the Personal Financial Statements Guide by the American Institute of Certified Public Accountants. Personal financial statements shall be accompanied by the independent certified public accountant's Standard Review Report stating that the accountant is not aware of any material modifications that should be made to the financial statements in order for the statements to be in conformity with generally accepted accounting principles.

An ultimate controlling person who is an individual may file a sworn unaudited balance sheet in lieu of an audited or reviewed financial statement if:

A. The Registrant is licensed and writing only in Louisiana, OR

B(1). The ultimate controlling person does not prepare audited or reviewed financial statements in the ordinary course of business,
AND

(2) The Registrant's premium volume as reported in its most recently filed annual statement is below the threshold of \$300 million total direct and unaffiliated assumed premium, including international direct and assumed premium but excluding premiums reinsured with the Federal Crop Insurance Corporation and National Flood Insurance Program.

The requirement to file a sworn unaudited balance sheet in lieu of audited or reviewed financial statements cannot be waived.

Filing of an application for the waiver and receipt of a waiver letter are not necessary if either of the above eligibility criteria are satisfied. Notwithstanding an ultimate controlling person's eligibility for the waiver, the Louisiana Department of Insurance reserves the right to require audited or reviewed financial statements at any time.

An ultimate controlling person meeting criterion (B)(1) that controls an insurer reporting premium volume in its most recently filed annual statement equal to or above the threshold of \$300 million total direct or assumed premium may submit a request for a waiver which will be evaluated on a case by case basis.
