RE: Declaration of Emergency for Emergency Rule 48—Insure Louisiana
Incentive Program

Dear Governor Edwards, Attorney General Landry, President Cortez, Speaker
Schexnayder, Senator Talbot, Representative Huval, and Director Truax

In compliance with the requirement of R.S. 49:962, James J. Donelon, Commissioner of Insurance (“Commissioner”) for the Louisiana Department of Insurance (“LDI”), sets forth herein the reasons for proceeding on an emergency basis with the promulgation of Emergency Rule 48. The Department of Insurance hereby exercises the emergency provisions of the Administrative Procedure Act, R.S. 49:962, as further specified by R.S. 22:11.1, and pursuant to the authority granted by R.S. 22:1 et seq., adopts Emergency Rule 48, which is effective as of February 6, 2023 until August 5, 2023, unless terminated sooner, as allowed under the Administrative Procedure Act.

Emergency Rule 48 is issued to address the current crisis in the availability and affordability of insurance for residential and commercial properties in the state. Louisiana property owners and their insurers sustained catastrophic losses in 2020 and 2021 from Hurricanes Laura, Delta, Zeta, and Ida. As a result of their losses and their assessment of the risk of loss from future storms, many property insurers have substantially reduced their participation in the voluntary market for residential and commercial property insurance. With fewer property insurers in the voluntary market, competitive pressure on premium rates is reduced. Current underwriting practices have resulted in a substantial increase in the number of Louisiana property owners forced to obtain their property insurance coverage or their coverage for wind peril from Louisiana Citizens Property Insurance Corporation, the state insurer of last resort.

This emergency created by Hurricanes Laura, Delta, Zeta, and Ida has disrupted the residential and commercial insurance market on a statewide basis for Louisiana citizens. The crisis of the affordability and availability of insurance for residential and commercial properties that exists in the state of Louisiana poses an imminent threat to Louisiana citizens. Emergency Rule 48 is being issued due to this current crisis that poses an imminent peril and threat to the public health, safety, or welfare because of the extensive impact that catastrophic losses from 2020 and 2021 hurricanes have had on Louisiana’s property insurance market. As such, Emergency Rule 48 is issued under the authority of the Commissioner of Insurance for the State of Louisiana, pursuant to Act No. 1 and Act No. 2 of the 2023 Extraordinary Session that was signed by Governor John Bel Edwards. Emergency Rule 48 is effective as of February 6, 2023, until August 5, 2023, unless terminated sooner

Emergency Rule 48 is issued due to this current crisis that poses an imminent peril and threat to the public health, safety, or welfare because of the extensive impact that catastrophic losses from 2020 and 2021 hurricanes have had on Louisiana’s property insurance market. Furthermore, Emergency Rule 48 is issued to address the statewide current crisis in the availability and affordability of insurance for residential and commercial properties in the state.

DECLARATION OF EMERGENCY

Department of Insurance Office of the Commissioner

Emergency Rule 48—Insure Louisiana Incentive Program

Emergency Rule 48 is issued to address the current crisis in the availability and affordability of insurance for residential and commercial properties in the state. Louisiana property owners and their insurers sustained catastrophic losses in 2020 and 2021 from Hurricanes Laura, Delta, Zeta, and Ida. As a result of their losses and their assessment of the risk of loss from future storms, many property insurers have substantially reduced their participation in the voluntary market for residential and commercial property insurance. With fewer property insurers in the voluntary market, competitive pressure on premium rates is reduced. Current underwriting practices have resulted in a substantial increase in the number of Louisiana property owners forced to obtain their property insurance coverage or their coverage for wind peril from Louisiana Citizens Property Insurance Corporation, the state insurer of last resort.

The Insure Louisiana Incentive Program was enacted through the passage of Act 754 of the 2022 Regular Session of the Louisiana Legislature for the purpose of cooperative economic development and stability in Louisiana by encouraging additional property insurers to participate in the voluntary property insurance market to increase the availability of property insurance, increase competitive pressure on insurance rates, and reduce the volume of business written by the Louisiana Citizens Property Insurance Corporation.

Emergency Rule 48 sets forth standards and procedures relative to a property insurer's participation in the Insure Louisiana Incentive Program. Through cooperative endeavor agreements, property insurers participating in the program may be awarded matching grant funds in order to achieve the requirements of Act 754. Emergency Rule 48 further specifies these requirements and conditions thereof for qualified property insurers.

Accordingly, Emergency Rule 48 shall apply to all authorized insurers as defined in R.S. 22:46(3) operating and writing insurance for residential and commercial properties in the state, and to any approved unauthorized insurer as defined in R.S. 22:46(2) operating and writing insurance for residential and commercial properties in the state, an eligible unauthorized insurer as defined in R.S. 22:46(10) operating and writing insurance for residential and commercial

properties in the state, or a domestic surplus lines insurer as provided for in R.S. 22:436.1 operating and writing insurance for residential and commercial properties in the state or collectively known as a surplus lines insurer as defined in R.S. 22:46(27).

This emergency created by Hurricanes Laura, Delta, Zeta, and Ida has disrupted the residential and commercial insurance market on a statewide basis for Louisiana citizens. The crisis of the affordability and availability of insurance for residential and commercial properties that exist in the state of Louisiana poses an imminent threat to Louisiana citizens. Emergency Rule 48 is being issued due to this current crisis that poses an imminent peril and threat to the public health, safety, or welfare because of the extensive impact that catastrophic losses from 2020 and 2021 hurricanes have had on Louisiana's property insurance market. As such, Emergency Rule 48 is issued under the authority of the Commissioner of Insurance for the State of Louisiana, pursuant to Act No. 1 and Act No. 2 of the 2023 Extraordinary Session that was signed by Governor John Bel Edwards.

2. Grants shall also be made under the provisions of this Subsection to any property insurer that was forced to reduce coverage, or drop coverage entirely, on existing dwellings in order that the property insurer maintain its financial stability or solvency. A grant made pursuant to this Paragraph shall be contingent on the property insurer reinstating such former coverage or better coverage on the existing dwellings.

G. In no event shall the total amount of the grant to a property insurer exceed 20 percent of that property insurer's capital and surplus as reported to and verified by the Department.

H. Prior to the award of any grant pursuant to the provisions of this Chapter, the grant shall be subject to the review and approval of the Joint Legislative Committee on the Budget. The commissioner shall provide written notice to the committee of the grant awards that have been approved. Upon written approval by the committee, the commissioner will be authorized to award the grant and deliver the amount of the grant to the grantee from monies in the Incentive Program Fund.

HISTORICAL NOTE: Promulgated by the Department of Insurance, Office of the Commissioner, LR

§4817. Authorized Insurers

A. A surplus lines insurer may apply for a grant, provided that the surplus lines insurer shall, contemporaneously with the grant application, file an application for licensure with the Department for the line or lines of insurance for which it must be authorized and licensed to write for a grant award. If specifically requested in writing by the grant applicant in the application for licensure, such application will be processed contingent upon approval of a grant award.

B. A surplus lines insurer must obtain a certificate of authority to do business in Louisiana as an authorized insurer before it may actually receive grant funding.

C. If the surplus lines insurer does not apply timely to be admitted or subsequently is not approved for a certificate of authority, the surplus lines insurer shall not be entitled to receive a grant.

AUTHORITY NOTE: Promulgated in accordance with Act No. 1 of the 2023 Extraordinary Session and Act No. 2 of the 2023 Extraordinary Session, R.S. 22:11, 22:2361 et seq., and the Administrative Procedure Act, R.S. 49:950 et seq.

HISTORICAL NOTE: Promulgated by the Department of Insurance, Office of the Commissioner, LR

§4819. Certification of Deposit

A. Within 10 days of receipt of any Incentive Program Funds, the grantee shall provide to the commissioner written certification signed by two principal officers of the grantee that the Incentive Program Funds have been deposited in an account held in the name of the grantee and pledged to the Department.

AUTHORITY NOTE: Promulgated in accordance with Act No. 1 of the 2023 Extraordinary Session and Act No. 2 of the 2023 Extraordinary Session, R.S. 22:11, 22:2361 et seq., and the Administrative Procedure Act, R.S. 49:950 et seq.

HISTORICAL NOTE: Promulgated by the Department of Insurance, Office of the Commissioner, LR

§4821. Property Insurance Requirements

A. The grantee shall write new property insurance in Louisiana of the types described in R.S. 22:2369 and this Section of Emergency Rule 48 with net written premiums of at least a ratio of \$2 of premium for each \$1 of the total of newly allocated property insurer capital combined with the grant from the Incentive Program Fund. Thus, if the grantee allocates \$2,000,000 in capital and receives a matching state grant of \$2,000,000, the grantee must write property insurance in Louisiana with net premiums of at least \$8,000,000.

B. To comply with the requirements of the grant, new property insurance written by the grantee shall be residential, commercial, mono-line, or package property insurance policies in this state and shall include coverage for wind and hail with limits equal to the limits provided for other perils insured under such policies.

C. The net written premium requirements of this Section shall be satisfied only by new property insurance coverages reported on the Annual Statement State Page filed with the

Department under lines 1 (Fire), 2.1 (Allied Lines), 3 (Farmowners), 4 (Homeowners), or 5.1 (Commercial Multi-peril Non-liability).

D. Grantees shall also comply with the following.

1. In the first 24 months after receipt of matching capital fund grants, the grantee shall write at least 50 percent of the net written premiums for policyholders whose insured property is located in the parishes listed in §4815.B.3. The grantee shall maintain this net written premium ratio over five years to fully earn the matching capital fund grant in accordance with R.S. 22:2370 unless an extension has been granted by the commissioner under R.S. 22:2370.B or §4827.C of Emergency Rule 48.

2. The net written premium ratio of §4821.D.1 applies only to the net minimum premium required under §4821.A. Thus, the grantee may write additional Louisiana property coverage without regard to the ratio required by §4821.D.1.

E. The requirements of the grant that must be satisfied by the grantee are illustrated by the following example assuming a grant of \$2,000,000.

1. Example

a. The grantee is awarded a \$2,000,000 grant. Within 10 days of receipt of the grant of Incentive Program Funds, the grantee must match the grant with newly allocated capital funds of at least \$2,000,000 and provide written certification of compliance to the Department. In the first 24 months after receipt of the grant, the grantee must write property insurance in Louisiana with net written premiums of at least \$8,000,000. In the first 24 months after receipt of the grant, the grantee must write at least \$4,000,000 of the net written premiums for policyholders whose insured property is located in the parishes listed in §4815.B.3. Grantees shall maintain this net written premium ratio over five years to fully earn the matching capital fund grant in accordance with R.S. 22:2370. Compliance with the requirements for the second year and for each succeeding year must be demonstrated on the grantee's annual reports.

F. Grantees shall also satisfy the requirements for licensing, form filings, rate filings, and any other applicable provisions contained in Title 22.

AUTHORITY NOTE: Promulgated in accordance with Act No. 1 of the 2023 Extraordinary Session and Act No. 2 of the 2023 Extraordinary Session, R.S. 22:11, 22:2361 et seq., and the Administrative Procedure Act, R.S. 49:950 et seq.

HISTORICAL NOTE: Promulgated by the Department of Insurance, Office of the

Commissioner, LR

§4823. Funding Schedule

A. Unless expedited funding is requested by the grantee and authorized by the commissioner, a grant that has been fully approved shall be funded on the next regular quarterly period thereafter, i.e., January 1, April 1, July 1, or October 1.

AUTHORITY NOTE: Promulgated in accordance with Act No. 1 of the 2023 Extraordinary Session and Act No. 2 of the 2023 Extraordinary Session, R.S. 22:11, 22:2361 et seq., and the Administrative Procedure Act, R.S. 49:950 et seq.

HISTORICAL NOTE: Promulgated by the Department of Insurance, Office of the Commissioner, LR

§4825. Reporting Requirements

A. Grantee shall segregate and report any grants received on the line titled "Aggregate Write-In for Special Surplus Funds" in the NAIC Annual and Quarterly Statement Blanks.

B. Grantee shall report annually by March 1 and quarterly by May 15, August 15, and November 15 of each year on a form acceptable to the commissioner the following information for the preceding year and quarter ends:

1. the amount of premium written by parish under the Incentive Program;
2. the amount of premium by parish associated with properties located in the parishes listed in §4815.B.3.
3. the amount of premium by parish taken-out from the Louisiana Citizens Property Insurance Corporation.

In addition, the report shall contain the modeled Probable Maximum Loss for a 1 in 50, 1 in 100, 1 in 150, 1 in 200 and 1 in 250 event, including the models for at least five different scenarios and versions utilized.

1. Within 30 days of the end of each reporting period, the Department shall aggregate all responses and submit them as a report to the legislature.

D. Grantee shall report quarterly by May 15, August 15, and November 15 risk-based capital for the preceding quarter.

In addition to the requirements of R.S. 22:2361 et seq., the Department may require such reports and/or conduct such examinations, financial analysis or investigations as the commissioner deems necessary to verify compliance with the property insurance requirements set forth in the Incentive Program and Emergency Rule 48.

§4831. Earned Capital

A. A grantee who has received a grant is entitled to earn the grant at the rate of 20 percent per earning period for the last 12 months of that earning period in which the grantee is in compliance with the requirements of R.S. 22:2361 et seq., and Emergency Rule 48, such that the grantee may earn the entire grant after five years of full compliance with the requirements.

B. The grantee may begin to earn the grant from the reporting period in which the grantee first demonstrates that its net written premiums have reached compliance with all requirements of §4821.D.1. The grantee will earn 20 percent of the grant in each 12-month period thereafter in which the grantee demonstrates that it has maintained compliance with all requirements for net written premiums. Thus, if in compliance with §4821.D.1, the grantee may begin to earn the grant at the end of the first year.

C. Upon verification of the net written premium requirements during the preceding 12 months, the commissioner will issue written declaration that the grantee has earned 20 percent of the grant or a pro rata share thereof awarded to the grantee. No funds may be earned by the grantee until it receives official notification from the commissioner.

D. If the grantee does not meet the grant requirements during any year but shows promise of future compliance based on good cause having been demonstrated, the commissioner may extend the period of time from five years in order for the grantee to earn the entire grant. The extension may be granted for up to one year.

AUTHORITY NOTE: Promulgated in accordance with Act No. 1 of the 2023 Extraordinary Session and Act No. 2 of the 2023 Extraordinary Session, R.S. 22:11, 22:2361 et seq., and the Administrative Procedure Act, R.S. 49:950 et seq.

§4833. Declaration of Default

A. The commissioner may declare a grantee in default of the requirements for a grant should it be found that any of the following exists:

1. The grantee fails at any time to meet the specific minimum requirements of §4813.A.1-4. The commissioner may take into consideration the effects of the Incentive Program, including efforts demonstrated by the grantee, when monitoring compliance with this criteria.

2. The grantee fails to maintain a certificate of authority for the line or lines of insurance written pursuant to the grant program.

3. The grantee fails to meet the specific requirements of §4821.

4. The grantee fails to comply with any other applicable provisions of R.S. 22:2361 et seq., or Emergency Rule 48.

B. If the commissioner determines that the grantee is in default, the commissioner shall notify the grantee in writing of such default. Any grantee declared in default by the commissioner shall have 30 days from the date of the declaration of default to request reconsideration by the commissioner. The written request for reconsideration shall set forth, in detail, each and every reason why the grantee is entitled to the relief requested, including any documents tendered in support thereof. The commissioner shall have 30 days from the mailing of the request for reconsideration to review it and render a decision. The commissioner's decision upon reconsideration may be appealed to the division of administrative law in accordance with R.S. 22:2191 *et seq.* Unless modified on reconsideration or appeal, the default is effective from the date of the original declaration, and the grantee shall not be eligible to continue its participation in the Incentive Program unless the default is for failure to meet the requirements referenced in §4833.A.3.

C. The grantee in default is liable for and shall repay all grant funds that have not been earned by the grantee, plus legal interest as defined in R.S. 13:4202(B) from the date of the commissioner's default declaration. In the event of default, a portion of the grant award for the current year may be earned on a pro rata basis to give credit for premiums written under the Incentive Program. Repayment on a pro rata basis shall be determined using a method prescribed by the commissioner. If a request for reconsideration is not timely made, repayment is due upon the expiration of 30 days from the declaration of default. If a request for reconsideration is timely made and denied, repayment is due within 10 days of the denial of the reconsideration request.

D.

1. In determining the pro rata earnings, the commissioner shall divide the actual amount of written premiums by the amount required to be written under the Incentive Program, in each of the following categories:

a. policyholders whose insured property is located in the parishes listed in §4815.B.3; and

b. the total amount of net premiums written by the grantee under the Incentive Program.

2. Each category is weighted equally at 50 percent, and credit shall be given based on the percentage of premiums written per category. The resulting factor is then multiplied by 50 percent of the amount the grantee is entitled to earn per category for each year of compliance under

the Incentive Program (earned capital). The factor shall not exceed 1.00 for additional writings in any category. The sum of all categories shall equal the pro rata amount earned by the grantee.

E. The requirements for earning on a pro rata basis are illustrated by the following example assuming a grant of \$5,000,000, presuming a maximum earned capital of \$1,000,000 (20 percent per year entitlement assuming full compliance), and the grantee is declared in default.

Example: [The required amounts of premium for each of the two categories are listed in the table below under “Requirement.” Each requirement equates to 50% of the earned capital for the earning period or \$500,000. The “Actual” column represents the actual amount of writings by the grantee. The “Factor” column is the actual amount of writings divided by the requirement in each category. The “Earned” column represents the factor multiplied by \$500,000. Thus, under this example, the amount of money earned by the grantee on a pro rata basis is \$775,000.]

Category	Requirement	Weight	Actual	Factor	Earned
Total Net Written Premium	\$20,000,000	50%	\$15,000,000	.75	\$375,000
Parishes listed in §4815.B.3	\$10,000,000	50%	\$8,000,000	.80	\$400,000
				Total:	\$775,000

F. The commissioner may institute legal action to recover all sums due by the grantee in default in the 19th Judicial District Court.
