#### II. Statutory Requirements:

Louisiana Revised Statutes 22:436 C states the following:

C. To obtain and maintain placement on the list of approved unauthorized insurers, an alien insurer shall comply with the provisions of R.S. 22:435 applicable to alien insurers including but not limited to the provisions of R.S. 22:435 (B)(7), and the commissioner may require an alien insurer to file a copy of the producer production report in a form prescribed by the commissioner listing all business placed with the company by licensed surplus lines brokers. The report shall be filed with the Department of Insurance no later than April fifteenth of each year. The commissioner shall remove any alien insurer from the list of approved unauthorized insurers if it ceases to comply with the provisions of R.S. 22:435 applicable to alien insurers, or if he determines that continued placement of surplus lines insurance with the insurer would not be in the best interest of the policyholders or citizens of Louisiana.

## **III. Filing Requirements:**

In order to comply with the filing requirement in L.R.S. 22:436 C, all alien approved unauthorized insurers must comply with the following instructions concerning the filing and format of the Producer Production Report:

1. Filing Instructions:

The Producer Production Report (PPR) and all required attachments are due to be filed annually on or before **April 15**. In addition, all unauthorized insurers currently on the "white list" must pay an annual **\$1,050.00** fee by **March 1** per L.R.S. 22:821B(17). The fee <u>must</u> be paid online or mailed to the attention of the **Tax Division** at the address listed on the top of this form. The PPR must be uploaded via the Industry Access Portal on the Louisiana Department of Insurance website.

## 2. Producer Production Report – Required Attachments:

Evidence obtained from the domiciliary jurisdiction showing the types of insurance the insurer may write in that jurisdiction. Acceptable documents include a Certificate of Compliance or a copy of the domiciliary Certificate of Authority certified within ninety days of submission that clearly states the lines of insurance which the insurer may write.

3. Producer Production Report Format and Requirements:

The total premium reported on the producer production report must reconcile with the total premium reported for Louisiana on the statement of total premiums written in the State of Louisiana. PPR information must be uploaded via the Industry Access Portal in a **spreadsheet** format (i.e. Excel). The PPR must include the information requested in Table A and

Table B on page 2 of this form in the order it appears with no exceptions. Do not use passwords or other security measures to protect data on the spreadsheet. The data must be available for analysis by the Louisiana Department of Insurance.
