Commissioner of Insurance
for State of Louisiana,
I have been with Blue
Cross & Blue Shield for a
number of years. I am 91
years old. I am very happy
with Blue Cross & Blue Shield
even though I am paying
\$212.40^{a mo.} They have been good
to me in meeting my 2020
medical does not pay. I hope
they do not change or they
that is my own opinion,
please don't change any
thing that would change
my insurance with Blue
Blue Cross. At my age I
depend on it very much?
Thanks for reading my
opinion
