RE: BCBSLA & Elevance

Attention, Mr. David Caldwell

Dear Mr. Caldwell,

I am very concerned about the sale of BCBSLA to Elevance Health and the consequences for subscribers, doctors, hospitals and other providers and for the agent/broker community.

The \$3,000 windfall for subscribers has the smell of a bribe for votes in favor of the sale.

Groups have disproportionately bad representation in voting and that looks discriminatory.

So I trust the DOI will do it's due diligence on this proposed buyout and hope you will "Block the Sale."

Thanks for hearing me out.

Sincerely,
