Commissioner of Insurance  
Legal Division

Sept 5, 2023

Dear Sir,

I am writing this letter about the re-organization of Blue Cross + Blue Shield of Ia.

I am not so sure it would benefit the policyholders but would definitely benefit the stockholders as they all seem to do.

I'm sure I'm not the only one who is wondering how much the price of insurance will go up and the coverage will change to matter what is said.

I have not heard of Elevance Health but what I've read about them doesn't sound very promising.

This reorganization makes me feel very very nervous as I am sure it does others.

All I ask is that the Commissioner of Insurance for the State view this very carefully with the policyholders in mind and not how much money the Barfield + friends will get.

This has been a great insurance company for many many years and I would hate to see it ruined.

Thank you for your time  
Marilyn Jan Larson
