Re: Conversion of Louisiana Health Service & Indemnity Company d/b/a Blue Cross and Blue Shield of Louisiana from a mutual insurance company to a stock insurance company pursuant to La. R.S. 22:236.4(C)  
This comment is in addition to one I previously made on this case: As a policyholder and for the reasons I stated previously, I oppose the commission granting permission to the company to convert to a stock insurance company. The conversion is an essential step in BC/BS Louisiana's proposed sale to a for-profit company and is the purpose of the conversion. I think BC/BS Louisiana serves its policyholders well as a non-profit company and I oppose the conversion and the sale.
